YELLOWMARK™ PARTS

VALUE-PRICED REPAIR OPTION FOR CAT® EQUIPMENT

THE RIGHT FIT FOR YOUR MACHINE AND BUDGET

Are you looking to balance reliability and convenience with lower costs when buying repair and replacement parts? Choose Yellowmark™, A Caterpillar Brand. This full line of parts developed by Caterpillar for small and medium-sized Cat® construction equipment strikes the perfect balance — delivering the right fit for your machine and your budget.

With Yellowmark parts, you get:

- **Reliability:** Our in-depth knowledge of Cat machines means Yellowmark parts fit your needs and keep you running smoothly. It's the performance you expect from a Caterpillar brand.
- **Convenience:** Yellowmark parts are available from your Cat dealer, so it's fast and easy to get the parts and expert advice you need and get back to work.
- **Lower cost:** Yellowmark parts offer a value-priced alternative that's ideal when you need to focus on the work at hand rather than the years to come. Pricing reflects Yellowmark parts being designed for one-time use — and warranty coverage specific to the Yellowmark brand (reduced warranty coverage).

YELLOWMARK™ PARTS POSITIONING

ATTRIBUTES	CAT® GENUINE	CAT® REMAN	YELLOWMARK™

EXTENSIVE MACHINE COVERAGE

The Yellowmark™ parts line includes repair and replacement options that support the full line of small and medium-sized Cat® construction equipment. New machine models and parts will be added regularly.

YELLOWMARK PARTS ARE IDEAL IF YOU WANT A BRAND YOU CAN TRUST AT A LOWER PRICE.

If you need additional durability, rebuild/reuse options and comprehensive warranty coverage, you should consider Cat Genuine or Cat Reman parts. Contact your Riggs Cat dealer today for advice on the best solution for your machine, budget and business goals.

When installing Yellowmark parts, the owner should verify compliance with all applicable laws and regulations.

WHICH MACHINES ARE COVERED?

- Backhoe Loaders
- Skid Steer Loaders
- Motor Graders
- Track Excavators
- Track-Type Tractors
- Wheel Loaders

— And many other Cat construction machines.

It's an affordable option for the repair and replacement parts you need now — but don't want to rebuild or reuse.

Yellowmark repair and replacement parts include:

DRIVE TRAIN

Repair and rebuild parts for Torque Converters, Transmissions, Differentials and Final Drives

CAT® MACHINE ENGINE PARTS (Tier 0, 1, 2)

- Alternators / Starters
- Exhaust Manifolds / Mufflers
- Fuel Transfer Pumps / Fuel Lines
- Gasket Kits
- Oil Coolers
- Water Pumps

— And overhaul parts.

GENERAL USAGE

- Motor Grader Cutting Edges
- Bearings
- Brackets
- Covers
- Pins

HYDRAULICS

- Cylinder Groups and Assemblies
- Final Drive Parts
- Gear Pumps
- Seal Kits
- Vane Pumps

UNDERCARRIAGE
